Greetings!

We are thankful for business leaders like you from across the state of Michigan. As you may know the fall 2018 Michigan Future Business Index Survey is now underway and we are looking for your input. This is your chance to share your thoughts on the current economy in Michigan based on your personal experience.

By taking 5 to 10 minutes to provide your feedback as a small business leader, you will:

- Immediately receive exclusive insight into the strengths and weaknesses of the Michigan small business market
- Allow us to speak directly to the media and state officials about the biggest challenges business leaders face in Michigan today
- Allow us to provide better content and help you find solutions to those challenges, building a stronger market for your business
- Have a chance to enter your name in a drawing for great travel escapes from our partners [Fly Lansing](#) and [Treetops Resorts](#).

Rest assured, we always keep your individual responses and personal information confidential.

Thank you for taking the time to take the MFBI survey! If you are receiving this email more than once, we apologize for any inconvenience.
